Buraje Lavin

Software Engineer

kagehalavin@gmail.com +254714739750 Nairobi, Kenya

Profile

Motivated a detail-oriented Software Engineering student with a strong foundation in web and application development, programming, and database management. Skilled in technologies such as HTML, CSS, JavaScript, React, Python, and GitHub, with a passion for building efficient and user-friendly software solutions. A fast learner, strong team player, and problem solver who is eager to gain industry experience and contribute to innovative technology projects.

Experience

Machine Learning Engineer, *myMdoc*
Developed Python-based data models to predict patient engagement and improve telehealth personalization.
Assisted in building a health data pipeline and dashboards for real-time patient analytics.

Software Engineer Intern, *MMUST COMPANY*
Authored comprehensive API documentation for merchant onboarding (Readme), improving enterprise partner integration experience.
Supported integration of fintech and remittance partners: Taptap Send, LemFi, Tencent (WeChat Pay), and Fincra.
Conducted end-to-end testing across staging and production environments, identifying and resolving 20+ critical bugs pre-release.
Assisted rollout of secure digital payment solutions with zero operational disruption.

02/2023 – 06/2026

03/2026 – 03/2026 03/2025 – 11/2025

Education

DIPLOMA IN SOFTWARE ENGINEERING,
KENYA INSTITUTE OF SOFTWARE ENGINEERING

OF PROFESSIONAL STUDIES **GENERATIVE AI**

ESSENTIALS, *MORINGA SCHOOL*

FRONTEND ENGINEERING, *ALX ACADEMY*

Skills

06/2024 – 09/2024 Remote

Frontend
React.js, Next.js, TypeScript, JavaScript, Flutter, HTML5, CSS3, TailwindCSS

DevOps & Tools
Git, GitHub, Vercel, Jenkins (Basic), Zapier, Slack Bot, Jira

Product & Support Tools
Zoho Desk, Jira Service Desk, Notion, Retool, Confluence

Backend & APIs
Node.js (Basic), RESTful APIs, JSON, Swagger, Postman

Testing & QA

UAT, Functional Testing, Postman Testing, API Debugging

Soft Skills
Collaboration, Agile Methodology, Problem Solving, Communication

Languages

English Kiswahili
